

## CDN 22T Sprocket Incompatibility with Nexus 7 Hubs

CDN 22T sprockets (CT1122XCN) have interference with the dust-seal on current generation Shimano Nexus 7 hubs and therefore are incompatible.

CDN 24T sprockets (CT1124XCN) and all CDX SureFit™ sprockets (CT1122XMN, CT1124XMN, CT1126XMN) are compatible with Shimano Nexus 7 hubs. Please see the compatibility chart below.

Gates Rear Sprockets		Shimano Nexus 7 Hubs
